1/2

This collection mixes ancestral techniques such as the braiding of natural fibres with aluminium, a material that had its heyday in the fifties. Now, the metal frame replaces traditional wood, while natural fibre has been replaced with a synthetic material in order to provide greater weather resistance.

## Maintenance

---

Clean with mild soap using sponge or cloth. Be gentle while cleaning, do not scrub aggressively the fabric. Once cleaned please make sure you remove soap excess.

In case of aggressive stains clean with diluted household bleach.

Clean stains promptly. The longer it remains, more difficult will be to remove.

Once cleaned the fabric steam iron the fabric. Just use steam, be carefull NOT placing the iron directly in the fabric it will get damage.

## Finishes
