1/6

Chairs and desks made of solid wood are not very common in the office environment. The concept of workplaces integrating home and office made a change. Collection A consists of a stackable armchair, with upholstered seat and backrest, and tables in three sizes: Home Deck, Meeting Table and Workstation, in natural and dark oak wood.

Materials

Wood
100% Ash

Other Characteristics

 Indoor use only

 Adjustable legs

Maintenance

We recommend treating the wood with sealer every three months. To restore the wood to its original appearance, sand the entire surface and apply the sealer.

* The use of natural wood might reflect tone variations

Structure

Wood*

Natural Oak

Burnt Oak
